One way to learn more about the Town's programs would be to explore this Activity Guide. Find an activity that sparks your interest and participate. Another option would be for you to come and join us at the 7th Annual Recreation Expo on Saturday, February 6. Encaustic (Hot Wax) Painting

Age 18Y & up | Connie English

Encaustic is a beeswax-based paint that was first practiced by the Greeks in the 5th Century. Kept molten on a heated palette, encaustic is applied to a surface and reheated to fuse the paint into a uniform enamel-like finish. It cools immediately so there is no drying time and it can always be reworked. In this one day workshop you will learn how to safely work with heat sources and equipment, paints, medium, collage materials, fusing layers, tools, priming appropriate substrate, scraping, pastel sticks, incision and more. Come for a fun day of creating a unique artwork. Material fee of \$65 payable directly to instructor.

CLASSES FOR PARENTS

Parents Information Station

Welcome to the Parent Information Station! These workshops are aimed at providing families with tools and information on a variety of relevant youth-related topics. Lauren Brown is a licensed Marriage and Family Therapist who works as the School Program Coordinator for the Town of Danville Police and Recreation Services.

Communication and Youth Self-Esteem

Age 18Y & up | Lauren Brown, School Program Coordinator

This is a parent-only workshop and is not suitable for youth. As our kids launch into adolescence, it becomes harder to get them to talk to us and to listen to what we have to say. Additionally, middle school seems to strip our kids of their sense of self, and they become obsessed with fitting in. Learn some effective tools for family communication and how to continue to build our youth's self-esteem in order to encourage confidence and healthier choices.

The Waiver of Liability on the registration form must be signed prior to taking a class.

Advise Town staff if participant has a disability or allergy requiring special accommodations.

Class registration form may be sent ahead of registration date. All class registrations submitted prior to the first day of registration will be entered on the appropriate registration date, with no priority given.

AMERICANS WITH DISABILITIES ACT

In compliance with the Americans with Disabilities Act (ADA), the Town of Danville encourages those with disabilities to participate in our programs. If you have any special needs that require specific accommodations so you can fully enjoy our classes and programs, call 314-3400.

Photographs and video may be taken of participants during a class or program, and these photographs and video may be used for Town of Danville publicity purposes.

RAINOUTS AND CLASS MAKE-UPS

Whenever possible, make-ups will be given on those occasions when inclement weather or instructor illness requires that a class be cancelled. See instructor at next scheduled meeting for make-up date.

Waitlists will be created once a class has reached maximum enrollment. If space becomes available, you will be called.

RESIDENCY STATUS CLARIFICATION

Those living outside the Danville Town limits include residents of the communities of Alamo and Diablo, and Alamo Creek, Bettencourt Ranch, Blackhawk, Bryan Ranch, Monterosso, Shadow Creek and Whitegate housing developments.

The program and facility fees cover a large portion of the actual costs, though Town of Danville residents also partially support the classes, events and facilities through their property tax assessments. Because of this, those program participants and individuals reserving Town facilities who live outside of Danville pay an additional non-resident charge. If you have any questions about this information, call 314-3400.

Special Notice to Alamo Residents living in the Alamo County Service Area R-7A: all R-7A residents are eligible to register for Town-sponsored programs scheduled at Hap Magee Ranch Park during the resident registration period. Non-resident fees still apply for these classes and activities. Call 314-3400 for more information.
